Agreement for Your Account

Welcome and thank you for selecting Axos Bank® for your financial needs.

This Disclosure and Agreements – Commercial (“Agreement”) agreement explains important terms and conditions which govern your account(s) with us. This Agreement is periodically revised and always available electronically for your reference at www.axosbank.com. Please read this Agreement carefully and keep it with your banking records for future reference.

You agree that your accounts will only be established and used for commercial purposes, and not for personal, family or household purposes. When you sign our signature card, whether in writing or electronically, and/or continue to have an account with us, you and each authorized signer on your accounts effectively agree to this Agreement, together with applicable schedules, disclosures, including fee, and rate disclosures. Your Axos Bank accounts will be deemed located and domiciled in California.

Bank products and services are offered by Axos Bank. All deposit accounts through Axos Bank brands are FDIC insured through Axos Bank. All deposit accounts of the same ownership and / or vesting held at Axos Bank are combined and insured under the same FDIC Certificate 35546. All deposit accounts through Axos Bank brands are not separately insured by the FDIC from other deposit accounts held with the same ownership and / or vesting at Axos Bank.

This Agreement applies to all accounts you have with us. This Agreement supersedes any previous deposit account agreement and applicable disclosures with us.

Account Funding

You agree to fund your account within 30 days of account opening, or we may close the account.

Account Ownership

The bank may rely solely on its records to determine the form of ownership of your account. The bank may presume that any person named, in addition to you in its records, owns the funds in your account as a co-owner. Account ownership is non-transferrable.

Account Structure

We may structure your account to consist of two sub-accounts to take advantage of an interpretation of federal regulations. The sub-accounts, a checking account, and money market account, will be used to allow for the transfer of funds between the accounts, subject to federal regulations. This structure will occur solely on our books and will not be visible to you, nor will it affect your account in any way. Also, this will not affect the FDIC coverage of your account.

ACH New Account Funding

ACH Funding will be posted upon final credit from the external bank; typically, 2 - 3 business days after the new account is opened.

Adverse Claims

If any person or entity makes a claim against funds in your account, or if the Bank believes that a conflict exists between or among the *authorized signers* on your account or that there is a dispute over matters such as the ownership of your account or the authority to withdraw funds from your account, the Bank may, without any liability to you, take one or more of the following actions:

- Continue to rely on the Bank's records to determine the ownership of or the identity of the *authorized signer(s)* for your account.
- Honor the claim upon receipt of evidence satisfactory to the Bank to justify such claim.
- Freeze all or a part of the funds in your account until the dispute is resolved to the Bank's satisfaction.
- Close your account and send a check for the *available balance* in your account payable to you or
- Pay the funds into an appropriate court.

The Bank may charge your account for expenses (including attorney's fees and expenses) and any fees the Bank incurs.

Adjustments

We may make adjustments to your account from time to time. This may be due, for example, to the return of an item you deposited which was unpaid or if a deposit is posted in the wrong amount. Adjustments will be reflected on your periodic statement (if any).

Amendments

We reserve the right to amend, modify, add to, or delete (collectively referred to herein as “change(s)”) the terms or conditions of this Agreement without prior notice to you, except as required by law. Your continued use of a service or an account constitutes your acceptance of the change. Changes may include a deletion, modification, or amendment of an existing term or the addition of a new term not otherwise contemplated when you entered into this Agreement or opened your account(s). Any change will take effect immediately, unless stated otherwise in any notice we make available to you.

Unless otherwise expressly required by law, a notice of the changes, or a copy of the revised Agreement or schedule, may be sent to you to the address as it appears on our records, by posting information in our offices, on our website, or by otherwise making the information available to you in writing or electronically.

Appropriate Account Usage

Do not use a consumer account as a commercial account. If you do, it may be reclassified as a commercial account, and we reserve the right to change your consumer deposit account type to a commercial deposit account type.

Arbitration

You and the Bank recognize that disputes may from time to time arise in connection with the offering and maintenance of business deposit accounts, including without limitation, checking, savings or certificate of deposit accounts ("Deposit Account Disputes"). In order to facilitate resolution of Deposit Account Disputes in an expedient manner, by mutual cooperation and without resort to litigation, you and the Bank shall follow the procedures if and when any Deposit Account Dispute develops:

You and a representative of the Bank holding the rank of Vice President or higher shall speak in person or by telephone, and shall endeavor in good faith to resolve the Deposit Account Dispute. In the event that no resolution of the Deposit Account Dispute is had within thirty (30) days after you or the Bank initiated such attempt at resolution, the matter shall be submitted to arbitration at the request of either party. The party desiring to proceed with arbitration shall file an Arbitration Notice with the San Diego, California office of the American Arbitration Association. The arbitration shall be a separate proceeding held before a single arbitrator under the American Arbitration Association's Commercial Arbitration Rules and in accordance with the expedited procedures set forth in such rules. The arbitrator shall be selected by the parties. If the parties cannot agree to an arbitrator within fourteen (14) days following the date of the Arbitration Notice, then the arbitrator shall be selected in accordance with the procedure set forth in the rules of the American Arbitration Association. The arbitrator shall be a licensed member of the California state bar, shall be experienced in banking law, and shall not have performed services for either party during the previous five (5) year period. You and the Bank understand and agree that the right to bring any claim related to any Deposit Account Dispute to court, including the right to a jury trial, is hereby waived. The arbitrator shall render a decision and award, including a statement of reasons upon which such award is based, within thirty (30) days after the arbitration hearing. The decision of the arbitrator shall be in writing, shall be binding upon the parties, and shall be final and non-appealable. Judgment upon the award rendered by the arbitrator may be entered in any court of competent jurisdiction. All expenses of any arbitration, including fees and expenses of the parties' attorneys, fees and expenses of the arbitrator, and fees and expenses of any witness or the cost of any proof produced at the request of the arbitrator, shall be paid by the non-prevailing party.

You and the Bank acknowledge that our business relationship involves interstate commerce. Insofar as it applies, the United States Arbitration Act shall govern the interpretation of, enforcement of, and proceedings pursuant to, this arbitration clause. Except insofar as the United States Arbitration Act applies to such matters, the agreement to arbitrate set forth herein shall be construed, and the legal relations between the parties shall be determined in accordance with, the substantive laws of the State of California. You and the Bank hereby agree that the issue of arbitrability shall likewise be decided by the arbitrator, and shall not be submitted to any other person or forum for adjudication. As a supplement to arbitration, either party may obtain in any court of competent jurisdiction any injunctive relief, including temporary restraining orders and preliminary injunctions, against conduct or threatened conduct for which no adequate remedy at law may be available or which may cause such party irreparable harm.

Except as otherwise provided herein, no action at law or inequity in connection with any Deposit Account Dispute shall be instituted by either party. Nothing herein shall be construed as precluding either party from filing a civil or criminal complaint with, or participating in an investigation before, any appropriate governmental authority. However, each party understands and agrees that it cannot seek or obtain any monetary relief or recovery from any such a proceeding. In addition, nothing herein shall preclude the Bank from exercising any right of set-off or other self-help remedy it might otherwise have, or from closing or suspending any account or service provided to you.

Authorized signers

An authorized signer is someone to whom you give all rights you have now or in the future to make withdrawals and deposits, and to otherwise transact on your account and receive account information. Merely by designating an authorized signer you do not give any ownership rights in the account. Any one of the authorized signers may sign checks or withdrawal orders and give us instructions regarding the account, including an instruction to close the account. However, if there is a conflict, we reserve the right to require all authorized signers to sign an item, withdrawal order, or other instruction on the account.

Even if the authorized signers on an account change, we may continue to honor checks, withdrawal orders, and other instructions by authorized signers until we are notified in writing not to do so.

Business Days

Our Business Days are Monday through Friday, excluding federal holidays.

Check Cashing

Checks drawn on the Bank payable to a non-customer consumer or business may, at the discretion of the Bank, only be negotiated in exchange for a Cashier's Check payable to that exact consumer or business name. Prior to negotiation, the consumer provides identification we deem acceptable or business must have the endorsement guaranteed on that check by its financial institution. We may charge a fee for this service, which may be deducted from the check.

Choice of Law

This Agreement is governed by federal laws and, when applicable, the laws of the State of California.

Check Forms and Special Conditions

We require you to use a check printer that meets technical standards for checks that are acceptable to us and the Federal Reserve Bank System. We reserve the right to disregard any information on the check other than the drawer's signature, the payee, the amount, any magnetically-encoded information at the bottom of the check, and endorsements on the reverse side of the check unless we have previously agreed to do so in writing. For example, we will not be liable for any damages because we pay an Item which contained any conditional statement or restriction such as "Void after 90 days", "Void over \$100", or "Payment in Full". We will adhere to such conditional statements only if you notify us of the statements before the Item is presented and we have specifically agreed in writing to honor such conditional payment restrictions. If an Item is returned or payment is delayed as a result of any writing or marking that you or a prior endorser placed on the front or back of the Item, you will be responsible for any cost and liabilities associated with such return or delay.

Closing an Account

You agree to notify us of your intention to close your Deposit Account, and we reserve the right to request that your notice be in writing that affirmatively acknowledges that closing the account could affect your receipt of Financial Services. After a Deposit Account is closed, we have no obligation to accept deposits or pay any outstanding items or other debits, but we may do so at our option. You agree to hold us harmless for refusing to honor any check, item or other debit on a closed account.

For security reasons, we may close your Deposit Account and require you to open a new account if there is a change in authorized signers, there has been a forgery or fraud reported or committed involving your Deposit Account, any Deposit Account checks are lost or stolen, you have too many transfers from a Deposit Account that has transaction limitations, or you have violated any other provision of an agreement you have with us.

The Bank reserves the right to close your account for any reason or without cause. We need not advise you of the reason for taking this action. The Bank need not give advance notice of any closure. After an account is closed, we have no obligation to accept deposits or pay any outstanding items or other debits, but we may do so at our option. If your account is closed by the Bank, it may issue a single Cashier's Check for the account balance payable to accountholder and may mail or deliver that check to the accountholder, subject to any right the Bank may have under any agreement covering the account or the Bank's right of setoff.

Compliance with Laws, Rules, and Regulations

You agree to comply with all laws, rules, and regulations applicable to you, to your activities and to your use of our services. This includes your agreement to comply with (to the extent applicable to you and your actions) federal anti-money laundering laws, sanctions laws administered by the Office of Foreign Assets Control, currency transaction or Bank Secrecy Act reporting and recordkeeping requirements, and any state counterpart of the same. Upon request by us, you must inform us about and disclose to us the identity of all persons who have a beneficial interest in you (if you are a non-natural person) and in your transactions.

You represent and warrant that you will not use, and agree not to use, your account or any service we provide to you for any unlawful purpose. For example, you represent, warrant and agree not to accept or make payments in connection with the participation of any person (including yourself) in unlawful Internet gambling. You acknowledge that "restricted transactions" (as defined in the Unlawful Internet Gambling Enforcement Act and its implementing regulations) are prohibited from being processed through your accounts or your relationships with us. We reserve the right to deny transactions or authorization from merchants apparently engaging in the Internet gambling business or identifying themselves through card transaction records or otherwise as engaged in that or any other illegal or improper business. Further, we reserve the right to block or close any account which we believe may be involved in any such restricted transactions.

You represent and warrant that you are not, and you agree to take no action that would result in your being deemed or treated as, a money service business under any applicable state or federal law, except to the extent that you have specifically and in writing previously informed us that you are a money service business. Notwithstanding the foregoing, we reserve the right to refuse to open or to continue to maintain any deposit account.

You covenant, and represent and warrant that the foregoing is true and correct, as of the opening of your account and again each time you make a deposit or withdrawal or otherwise use a service offered by us. You agree to provide us with evidence showing that you are in compliance with the above, reasonably satisfactory to us, upon our request. If we are uncertain regarding the legality of

any transaction, we may refuse the transaction or freeze the amount in question while we investigate the matter. You agree to indemnify, defend and hold us harmless from every action, proceeding, claim, loss, cost and expense (including attorney's fees) suffered or incurred by us due to any U.S. or foreign government entity seizing, freezing or otherwise asserting or causing us to assert control over any account or funds in an account of yours (or ours) when purportedly caused by or arising out of your action or inaction. This will apply whether or not such action is ultimately determined to be authorized under the laws of the U.S. or its territories, or of any foreign jurisdiction. We are not required to inquire or determine the authority of any action taken by the U.S. or foreign government entity prior to acceding to any legal process initiated by it.

Converting Account and Revoking privileges

Without limiting our ability to close your account, we may alternatively convert your account to another type of account or revoke privileges when we consider it appropriate or necessary to do so. For example, we may revoke privileges, or convert your account to another account type if you make frequent transactions on a money market or savings account, if your account frequently has debits against uncollected funds, if your account has excessive deposit activity or if you use a commercial account for consumer purposes.

Death or Incapacity

You agree to immediately notify us about the death or incapacity of any owner or authorized signer on your account. Until we receive such notice in writing, and have a reasonable opportunity to act on it, we may continue to honor items drawn on your account by the authorized signer(s). We may suspend, refuse, and reverse any transactions or deposits (for example, automatic federal direct deposits of benefit payments belonging to the decedent) if any owner or authorized signer dies or is declared by a court to be incompetent. However, even with knowledge, we may pay checks drawn on the account for ten (10) days after the date of death. Refer to the discussion below regarding the treatment of "Direct Deposits"

Demand Drafts and Remotely Created Checks

If you deposit a demand draft or remotely created check (an unsigned draft or preauthorized draft) into your account, you warrant and guarantee that the draft or remotely created check is authorized according to the terms on its face by the person(s) identified as the drawer. You agree to indemnify us from all loss, expense and liability related to a claim that such check or draft was not authorized by the person(s) on whose account it was drawn on.

Deposit of Preauthorized Drafts

A pre-authorized draft is an arrangement whereby you get authority from a person (a customer usually) to access a deposit account owned by that person to pay a debt that person owes you. You deposit these "drafts" into a deposit account with us, and we collect them from your customers, who may have accounts with us or at other banks. (These "drafts" are checks you create based on information your customer provides you, such as customer's name and account number, and express permission your customer gave you to draw on his account). When you deposit these pre-authorized drafts, you make the following agreements and warranties:

- You have express, verifiable and binding authorization from your customer to access his, her or its account for the amount you ask us to collect;
- You will keep proof of your authorization in retrievable form for not less than two years from the date of the authorization and provide us with proof upon our request;
- We may reverse credit given you for any draft deposited to your account and returned to us regardless of when it is returned or the reason for the return.

Deposit Preparation, Sorting, and Endorsements

You agree to properly prepare, sort, and endorse all deposits according to requirements specified in any application user guides and Federal Regulation CC. You agree to indemnify us for any loss we incur that result from your failure to comply with these requirements.

Deposits- Truncation, Substitute Checks, and Other Check Images

If you truncate an original check and create a substitute check or other replacement document, or other paper or electronic image of the original check, you warrant that no one will be asked to make payment on the original check, a substitute check or any other electronic or paper image, if the payment obligation relating to the original check has already been paid. You also warrant that any substitute check you create conforms to the legal requirements and generally accepted specifications for substitute checks. You agree to retain the original check in conformance with the time requirements as outlined in your Remote Deposit Capture Agreement with us. You agree to indemnify us for any loss we may incur as a result of any truncated check transaction you initiate. We can refuse to accept substitute checks that have not previously been warranted by a bank or other financial institution in conformance with the Check 21 Act. Unless specifically stated in a separate agreement between you and us, we do not have to accept any other electronic or paper image of an original check.

Direct Deposits

If, in connection with a direct deposit plan, we deposit or credit any amount in your account which should have been returned to the state or federal government or any other third party for any reason, you authorize us to deduct the amount from your account or from

any other account you have with us without prior notice and at any time, except as prohibited by law. You also authorize us to use any other legal remedy to recover the amount of our liability.

Earnings Credit

If an earnings credit accrues on your account, the Bank will periodically apply your accrued earnings credit to eligible Bank fees and expenses (unless the Bank otherwise indicates in writing). The amount of Earnings Credit received each month is based on your Average Collected Balance, multiplied by the current earnings credit rate in effect. The earnings credit rate is determined by the Bank and is set each month based on current market conditions. The rate is subject to change without notice to you. The Bank may debit your account (or any other account you maintain at the Bank) or invoice you for any amount by which the fees and expenses exceed the accrued earnings credit on your account.

Facsimile or Mechanical Signatures

Many customers use a facsimile or other mechanical signature, including a stamp, referred to herein as (“facsimile signature”) to execute agreements, authorize transactions, provide and authorize instructions and to indorse or otherwise complete other documents. If you use any form of facsimile signature in connection with any account, you agree to deliver a sample to us before you begin using it, and to execute and deliver agreements in a suitable form, if we so require. If you use a facsimile signature for any of these purposes, you are responsible for any such transactions, instructions or indorsements that appear to us to bear a signature that resembles the signature of a person authorized to sign on your account. When you use a facsimile signature in connection with any account, you agree you shall have the sole responsibility for maintaining security of the facsimile signature or device by which it is affixed, and you shall bear the entire risk for unauthorized use thereof, whether or not you are negligent, except as may be required by law. You agree that we may rely on facsimile signatures that resemble the appropriate original or any signature specimen given to us and that appears to have been made through an authorized medium, regardless of how the facsimile signature came to be placed on the item. We may rely on facsimile signatures, even if they were placed on agreements, transactions, instructions, items or otherwise without your knowledge or consent. We may pay items bearing facsimile signature, regardless of the persons to whom they are drawn or paid. A facsimile signature that resembles an authorized signer’s signature or any facsimile signature specimen is not considered a forgery or an unauthorized signature, and such a facsimile or automated signature shall be effective as your signature or indorsement, without regard to color variation, whether or not you have been negligent. You further agree to indemnify, defend, and hold us harmless from and against any and all losses, damages, claims, costs or expenses (including attorneys’ fees and costs) incurred by us as a result of the unlawful use, unauthorized use, or misuse by any person of any such facsimile signature or the device by which it is affixed. This means that we are not responsible for any misuse of a facsimile signature we believe you authorized.

Fraud Prevention

Lost or stolen items; unauthorized items

If any of your unissued paper *items* has been lost or stolen, or if you learn that unauthorized *items* are being issued on your account, you agree to notify the Bank at once. To the extent that your failure to so notify the Bank hampers the Bank’s ability to prevent loss, the Bank will be relieved of any liability for such *items*. Upon receipt of any such notice, the Bank may at its sole discretion and without any liability to you take one or more of the following actions:

- Close your account and open a new account for you
- Dishonor any paper item you or an authorized signer have indicated may have been lost or stolen (unless you or an authorized signer subsequently have instructed the Bank to honor such an item) or
- Pay any paper item presented for payment on your account, provided you have instructed the Bank to pay such paper item and given the Bank the number of that paper item

If the Bank opens a new account for you and you have authorized a third party to automatically make regular deposits to or withdrawals from your account (such as wire or ACH transfers), the Bank will have no liability to you if you do not receive any regularly scheduled deposit or if a regularly scheduled payment is not made for you due to your failure to notify that third party in a timely fashion of the number of your new account.

FDIC Insurance

We are a member of the Federal Deposit Insurance Corporation (FDIC). At this time, the standard deposit insurance amount is \$250,000 per depositor, per insured bank, for each account ownership category.

For current information relating to deposit insurance coverage, you may contact the FDIC toll-free at (877) 275-3342 or visit the FDIC website at www.fdic.gov.

Fees

A schedule of fees associated with our business deposit accounts is provided in our Fee Schedule. The schedule that applies to your account is part of the contract between you and us. You agree to pay the fees we charge, and you give us the right to collect any fees, as earned, directly from any of your account balances.

From time to time we may list fees for some non-account services (such as wires, cashier's checks, travelers' checks and so on) in the Fee Schedule. We may change non-account fees at any time without notice. You can get current information about non-account services and fees that apply at any of our banking offices.

Force Majeure

Neither party to this *Agreement* will be deemed to be in default of any of its obligations under this *Agreement* if its performance is delayed, hindered, or becomes impossible because of any act of God or of any public enemy, hostilities, war (declared or undeclared), guerilla or terrorist activities, act of sabotage, blockade, earthquake, flood, landslide, avalanche, tremor, ground movement, hurricane, storm, explosion, fire, labor disturbance, riot, insurrection, strike, sickness, accident, civil, commotion, epidemic, act of government or its agencies or officers, power interruption or transmission failure, or any cause beyond the control of either party.

General Use of Credit File Information

You certify as to the accuracy of the information you provide to us and authorize Axos Bank's affiliated consumer reporting agency/agencies to access your credit file to facilitate the processing of your application for Axos Bank financial products and to authenticate your identity for legal and regulatory compliance purposes. You understand that you may be asked questions based on the information in your credit file as part of this process. You also understand that Axos Bank may review your credit history and past banking relationships.

Information at Account Opening

Federal law, including the USA PATRIOT Act, requires all financial institutions to obtain, verify and record information that identifies each person or business that opens an account. When you apply for a business account, we will ask for your business name, address, and Tax Identification Number (TIN). We will also ask for your name, date of birth and social security number, which will allow us to verify your identity. We may validate the information you provide to us to ensure we have a reasonable belief of your identity and your business. If we are not able to verify your identity to our satisfaction, we will not open your account or we may close the account if it was previously funded. When you apply for a Sole Proprietor account, we will ask you and any authorized signer for your legal name, residential address, date of birth and Social Security Number (SSN). We will require one or more forms of unexpired photo identification. We may validate the information you provide to us to ensure we have a reasonable belief of your identity. If we are not able to verify your identity to our satisfaction, we will not open your account or we may close the account if it was previously funded.

Legal Process

Legal process includes a writ of attachment, execution, garnishment, tax withholding order, levy, restraining order, subpoena, warrant, injunction, government agency request for information, search warrant, forfeiture or other similar order. We may accept and comply with legal process: served in person, by mail, by facsimile transmission, or by other means. Any such legal process is subject to the Bank's security interest and the right of setoff. The Bank will not notify you of a grand jury subpoena affecting you or your account. Any fees or expenses the Bank incurs in responding to any such legal process may be charged against any account you maintain with the Bank. We may, but are not required to, send a notice to you of the legal process.

Limitation of liability; Indemnification

Whether in connection with your account or a service, in no event will either party to this *Agreement* or its respective directors, officers, employees, or agents be liable to the other party for any special, consequential, indirect or punitive damages, weather any claim is based on contract or tort or whether the likelihood of such damages was known to either party. The forgoing limitation of liability will not apply where expressly prohibited by the laws governing your account. The Bank will not have any liability to you if there are not sufficient available funds in your account to pay your *items* due to actions taken by

- The Bank in accordance with this *Agreement* or
- Any third party

Except to the extent that the Bank fails to exercise ordinary care of breaches this *Agreement*, you agree to indemnify and hold the Bank and its directors, officers, employees, and agents harmless from all claims, demands, losses, liabilities, judgments, and expenses (including their attorneys' fees and legal expenses) arising out of or in any way connected with the Bank's performance under this *Agreement*. You agree that this indemnification will survive the closing of your account and the termination of any *service*.

Lost/Stolen/Destroyed Cashier's Checks

You do not automatically have the right to stop payment on cashier's checks you purchase from us. If a cashier's check is lost, stolen or destroyed, please contact us for the procedures to obtain reimbursement or have the cashier's check reissued. In general, you must complete a declaration of loss form describing the cashier's check and how it was lost, stolen or destroyed. We will then wait ninety (90) days from the date the check was issued before we pay your claim. If ninety (90) days has already passed, we will act on your claim within a reasonable time. If the check is presented during the ninety (90) day waiting period, we may pay the item to a person entitled to enforce the check. If this happens, we will not pay your claim.

If we determine that any such instrument is presented by or on behalf of a person who may be a holder in due course or who may otherwise have the right to obtain payment of the cashier's check from the Bank, we may, without notice to you, pay the cashier's check, even though you may have paid us a fee to not honor the cashier's check.

Multiple Signatures

We will have no responsibility for reviewing the number or combination of signatures on an Item drawn on your Account. This means that if you have indicated that one or more signature is required in connection with an Item drawn on your Account, the Bank will have no liability to you if a transaction is conducted on or through your Account contrary to the signature requirements you have specified, provided at least one of the required signatures appears on the Item.

Our Receipt of Deposits

In receiving deposits, we act only as your collecting agent and assume no responsibility beyond the exercise of ordinary care. All deposits are posted to your designated deposit account conditionally, and only if the item is payable in U.S. dollars, subject to our receipt of final payment. If final payment is not received on any item you deposited to your account or that we cashed for you, or if any direct deposit, automated clearinghouse deposit or electronic fund transfer to your account is dishonored by the issuing financial institution for any reason, you agree to pay us the amount of the dishonored deposited funds, and you authorize us to debit any deposit account with us of which you are an owner, without prior notice and at any time, for the amount of the returned item or other deposit. You also authorize us to debit your account for the amount of our returned item fee, any interest paid on the deposit, and any other fee we pay or loss we incur. We may also use any other legal remedy to recover the amount you owe us. We are not responsible for any transactions, including any transactions sent through the mail, until we actually receive and post the transaction to your account. We are not liable for the default or negligence of our duly selected agents or correspondents, nor for losses in transit.

Processing Transactions and Posting Orders

Posting transactions to your account impacts your account balance. Posting a credit increases your balance. Posting a debit or hold reduces your balance. Credits include but are not limited to the following: teller deposits, direct deposits and credits we make. Holds include but are not limited to the following: deposit holds, debit card authorizations, and holds related to cash withdrawals and electronic transfers. Debits include withdrawals, transfers, payments, checks, one-time and recurring debit card transactions, and fees. We use automated systems to process transactions and then to post transactions to accounts. When we process multiple transactions for your account on the same day, you agree that we may in our discretion determine our posting orders for the transactions and that we may credit, authorize, accept, pay, decline or return credits, debits and holds in any order at our option.

Posting Orders

This section summarizes how we generally post some common transactions to your account. We group the different types of transactions into categories. We use several different categories for holds, credits, and debits. Most categories include more than one transaction type. After the end of the business day, our automated systems assign each transaction received for that day to a category. We generally post all transactions within a category, using the posting order or orders that apply to that category, before we post any transactions assigned to the next category.

We start with the balance in your account at the beginning of the business day, subtract holds from your balance, and make any adjustments from prior days. Next, we generally add credits to your balance and then subtract debits from your balance.

Changing Posting Orders

You agree that we may determine in our discretion the orders in which we post transactions to your account.

You agree that we may determine in our discretion the categories, the transactions within a category, the order among categories, and the posting orders within a category. We sometimes add or delete categories, change posting orders within categories and move transaction types among categories. You agree that we may in our discretion make these changes at any time without notice to you.

Posting Orders Determined at End of Day

We receive credits, debits and holds throughout the day. Regardless of when during the day we receive transactions for your account, you agree that we may treat them as if we received all transactions at the same time at the end of the business day.

During the day, we show some transactions as processing. As an example, we show some transactions as processing on the Account Details screen in Online Banking. Please note that transactions shown as processing have not been posted yet. The posting order for these transactions is determined at the end of the day, with the other transactions we receive for that day.

You should note that often we do not receive debits on the same day that you conduct them. As an example, when you use your debit card to pay for a purchase at a merchant and sign for the transaction, we usually receive an authorization request from the merchant the same day, but we might not receive the final debit card transaction for payment and posting until several days later.

We generally post credits and debits to your account, and report them on your statement, in a different order than the order in which you conduct them or we receive them.

Overdrafts

When we determine that you do not have enough available funds in your account to cover a check or other item, then we consider the check or other item an insufficient funds item. We will either authorize or pay the insufficient item and overdraw your account (an overdraft item) or we will decline or return the insufficient item without payment (a returned item).

We pay overdrafts at our discretion, which means we do not guarantee that we will always, or ever, authorize and pay them. If we overdraw your account to pay items on one or more occasions, we are not obligated to continue to paying future insufficient funds items. Our Schedule of Fees herein for your account explains when we charge you fees for overdrafts and for declined or returned items and the dollar amount of the fees.

Post-Dated Checks

We agree not to pay an Item that you have postdated before the date shown on the Item only if we receive reasonable advance written notice from you before the Item is presented, and you follow the procedures for and pay the fees associated with a Stop Payment Order. Your notice to us must specify the payee, date, amount, and Item number and the fact that you have postdated it. Notices regarding postdated Items are effective only for six (6) months from the date of the Stop Payment Order, and must be renewed to continue to be effective beyond that time. You agree that we may return a postdated Item to the presenter before the date shown on the Item without liability for wrongful dishonor. We may pay or dishonor a check more than six (6) months old without prior notice to you.

Powers Of Attorney

A Power of Attorney over a Business Deposit Account from an account owner or authorized signer will not be accepted by Axos Bank.

Prohibited Transactions

We strictly prohibit the use of any account to conduct transactions (including, without limitation, the acceptance or receipt of credit or other receipt of funds through an electronic funds transfer, or by check, draft, or similar instrument, or the proceeds of any foregoing) related, directly or indirectly, to federally controlled substances. You agree not to conduct any transactions through the account, which directly or indirectly involve or are related to federally controlled substances, including, without limitation, the acceptance or receipt of any funds or deposits in connection therewith. You also agree not to use your account or any other illegal activity.

Preventing misuse of your account

You agree to take reasonable steps to ensure the integrity of your internal procedures with respect to your account and *items* drawn on your account or deposited to it. To help prevent embezzlement and protect your business assets, the Bank recommends that you:

- Daily online account activity review through Online Banking Services.
- Reconcile statements for your account as you receive them and notify the Bank immediately of any problem.
- Review your transaction activity for unexpected fluctuations. A large fluctuation might indicate embezzlement of fraud.
- Destroy any paper *item* that you do not intend to use.
- Notify the Bank immediately when an authorized signer's authority ends so that his/her name can be removed from all signature cards and online banking access and any cards that the Bank has issued to him/her can be cancelled.
- Do not sign blank paper *items*.
- Secure your supply of paper *items* at all times. Stolen paper *items* are a common method of embezzlement.
- Watch for paper *items* cashed out of sequence or made out to cash. These are classic red flags for embezzlement or fraud.
- Assign responsibilities for your account to multiple individuals. Those who reconcile statements for your account should be different from those who issue *items* drawn on your account.
- Obtain insurance coverage for these risks.

Reclassification of Deposit Accounts

Under federal law, we are required to classify our deposits a certain way for regulatory reporting purposes. The following disclosure explains a change we may make to your Account that, ultimately, has no effect on your Account. We are simply changing the way we report deposit accounts to the government. The change to your Checking Account will not affect your available balance, interest earnings, FDIC insurance, or bank statement. The Account will consist of a checking sub-account and a savings sub-account, and the Bank may periodically transfer funds between these two sub-accounts. On a sixth transfer during a calendar month, any funds in the savings sub-account will be transferred back to the checking sub-account. If your Account is a plan on which interest is paid, your interest calculations remain the same. Otherwise, the savings sub-account will be governed by the rules governing our other savings accounts. This change will be transparent to you and will not affect your statement, any terms and conditions of your account, or any other items in your account.

Remotely Created Checks and Electronically Created Items

A remotely created check is a writing not signed by the customer that is created by a third party under the purported authority of the customer for the purpose of charging the customer's account with a financial institution. A remotely created check is also known as a demand draft. A remotely created check must contain the customer's account number and may contain the customer's printed or typewritten name, a notation that the customer authorized the draft, or the statement 'no signature required' or words to that effect. An electronically created item is an electronic image resembling a check, created from your information that was not actually derived from an original paper check.

If you voluntarily give information about your account (such as our routing number and your account number) to someone and authorize them to draw against your account, we may charge your account and pay any items, including remotely created checks and electronic items initiated by the person to whom you gave the information. You also agree that we may pay an electronically created item even though the item was not created from an original paper check, whether presented in the form of a remotely created check or an electronic item. You authorize us to continue to honor items or debits from a payee previously authorized by you, until you instruct us to cease to do so, whether or not the payee is acting within the scope of your initial authorization, subject only to such liability as may be imposed upon us by law. If you want us to stop honoring items from a payee previously authorized by you, you must tell us in writing. Until you notify us that such items are not authorized, we can continue to pay them and will not be liable to you even though the items are not in accordance with any authorization you may have given.

This does not, however, obligate us to honor remotely created checks, electronically created items or similar items or entries. We may refuse to honor remotely created checks, electronically created items or similar items or entries without cause or prior notice, whether or not we have honored or dishonored similar items or entries previously.

You agree that we are under no obligation to verify whether the name and account number shown on the remotely created checks or electronically created items are consistent. If any information on a remotely created check or electronically created item is incomplete, inaccurate, or in error, you agree that we may, at our sole discretion, either pay the remotely created check or electronically created item and charge your account for the check or item as drawn or refuse to honor the check or item and, without prior notice to you, return the check or item unpaid. You further agree to indemnify and hold the Bank harmless for losses resulting from our honoring or dishonoring any such debit.

You further agree not to present remotely created checks or electronically created items for deposit, unless we have given prior express written approval.

Restricted Transactions

You acknowledge and agree that "restricted transactions" as defined in the Unlawful Internet Gambling Enforcement Act of 2006 and Regulation GG issued thereunder are prohibited from being processed through your account or any relationship between you and the Bank. In the event we identify a suspected restricted transaction, we may block or otherwise prevent or prohibit such transaction and further we may close the account or end the relationship.

Right to Setoff

Subject to applicable law, we may, but are not obligated to, use the funds in your accounts to pay any due and payable debt(s) and obligation(s) that you owe us which are not paid when due. This is referred to as a "setoff." If we exercise this right of setoff, we shall comply with all applicable laws. We will notify you promptly of the action taken. Generally, you agree that all sums in deposit accounts will be subject to our right of setoff for liabilities owed to us by any one or more of the account owners, including any other person who is a joint account owner; or any partnership of which you are a general partner; or any other person or entity with whom you are a co-obligor, or have agreed to act as surety or guarantor, or for whose debts you are liable or may be contingently liable. You authorize us to use account funds to pay your debts and obligations to us even if the setoff results in an early withdrawal penalty or the dishonor of items. If your account is a checking or money market account and if we exercise our right of setoff, our duty to pay any items presented for payment on your account during the business day preceding the day on which the setoff occurs may be terminated, and you agree that we may return those items unpaid. If we do return items, we also will charge you a Non-Sufficient/Uncollected Funds – Returned Item fee for each returned item. See the Fee Schedule herein.

If the debt arises from a note, "any due and payable debt" includes the total amount of which we are entitled to demand payment under the terms of the note at the time we charge the account, including any balances for which we properly accelerated the due date under the note.

We will not be liable for the dishonor of any item or draft when the dishonor occurs because we charge and deduct an amount you owe us from your account. You agree to hold us harmless from any claim arising as a result of our exercise of our right to repayment. This right of setoff does not apply to this account if: (a) it is an IRA or a tax-deferred retirement account; (b) the debt is created by a consumer credit transaction under a credit card plan; or (c) the debtor's right of withdrawal only arises in a representative capacity.

Stale-Dated Checks

We may choose to pay or not to pay, or accept for deposit, any check presented more than 6 months after the date written on the check unless there is a valid stop payment order in effect. We are not responsible for any liability you may incur as a result of our decision to pay, not to pay or accept for deposit such an item.

Standard of Care

The Bank will meet its standard of care for your account, provided the Bank exercises ordinary care in the transaction at issue. When the Bank takes an item for processing by automated means, "ordinary care" does not require that the Bank examine the *item*. In all other cases, "ordinary care" requires only that the Bank follow standards that do not vary unreasonably from the general standards followed by similarly situated banks. The Bank's policies and procedures are general internal guidelines for the Bank's use and do not establish a higher standard of care for the Bank than is otherwise established by the laws governing your account. A mere clerical error or an honest mistake will not be considered a failure of the Bank to perform any of its obligations. If the Bank waives any of its rights as to you or your account on one or more occasions, it will not be considered a waiver of the Bank's rights on any other occasion.

Statements

You will be able to review transactions, including images of the front and back of checks or other instruments drawn on your accounts daily for a period of 18 months through Online Banking services. You should review your transaction history daily to protect your rights, including your right to dispute transactions that you believe are unauthorized, counterfeit, or altered, forged. Because you are in the best position to discover and deter any problem, you agree to promptly review and verify your account transactions as if your transaction history shown online was a traditional periodic statement. The Bank hereby disclaims any responsibility for items and/or transactions debited from your account unless you (1) notify us within a reasonable time not to exceed 30 calendar days of its posting (2) results from a forgery, counterfeit or alteration so clever that a reasonable person cannot detect it or (3) as otherwise provided by law or regulation.

We will make a monthly account statement available to you online only for your checking or savings accounts. If you elect to not receive or review your statement, you are responsible for having access to the information provided in the statement and complying with this section.

Check Safekeeping. Copies of your checks and other Items paid from your Deposit Account will be held by us instead of returned to you. An image of the front and back of the checks you write and are presented for payment will be deemed to be made available to you no later than the day after the items are presented to us for payment. We will keep the image copies of the front and back for seven (7) years. Copies of Items Upon written or e-mail request, copies of Items will be provided and we may assess a fee for providing such copies. Please see Schedule of Deposit Fees – Business Banking.

Bank's Duty of Care. In accordance with reasonable banking standards, most checks and other Items presented to us for payment are processed through automated processing and, except in limited circumstances and subject to such reasonable sampling procedures as we establish at our discretion, most Items are not individually examined to verify your signature or that the Item is otherwise properly payable. You agree that we act within reasonable banking standards by processing most checks and other Items through automated processing systems.

Stop Payment Request

To place a stop payment order on a check or other Item ("Stop Payment Order"), you can use the Website after you login, or write to Customer Service, 4350 La Jolla Village Drive, Suite 140, San Diego, CA 92122. If you use the Website, you must fully complete the Stop Payment Request or the ACH Stop Payment Request Order form. If you use any other method to place the Stop Payment Order, your communication must include the exact amount of the check or other Item, the number of the check, your Deposit Account number, and the name of the payee. We cannot be responsible for the consequences of paying an Item if it is not described with reasonable certainty, or if we are not given reasonable time to place the stop payment. Our acceptance of a Stop Payment Order does not constitute a representation that the Item has not already been paid or that we have a reasonable opportunity to act upon the order. We require written or Website confirmation prior to accepting a Stop Payment Order.

Written Stop Payment Orders, and stop payments entered online, are effective for six (6) months and must be renewed by you to continue to be effective after that time. There is a charge for each Stop Payment Order request and for each renewal. You agree to hold us harmless from all liability because we refuse to pay an Item subject to your Stop Payment Order. If we re-credit your Deposit Account after paying an Item over a valid and timely Stop Payment Order, you agree to sign a statement describing the dispute you have with the payee, to transfer to us all of your rights against the payee or other holder of the Item, and to assist us in any attempt we make to recover the funds from that person.

Duration of Order. Written Stop Payment Orders, and stop payments entered online, are effective for six (6) months and must be renewed by you to continue to be effective after that time. There is a charge for each Stop Payment Order request and for each renewal.

Hold Harmless. You agree to hold us harmless from all liability because we refuse to pay an Item subject to your Stop Payment Order. If we re-credit your Deposit Account after paying an Item over a valid and timely Stop Payment Order, you agree to sign a statement describing the dispute you have with the payee, to transfer to us all of your rights against the payee or other holder of the Item, and to assist us in any attempt we make to recover the funds from that person.

Unsigned Drafts. If you voluntarily give information about your Deposit Account (such as our routing and transit number and your account number) to a person who is seeking to sell you goods or services or collect a debt, we may consider any resulting debit as authorized by you, even if you did not physically deliver a check to the person or personally sign the instrument, unless you notify us to the contrary in accordance with our rules on Stop Payment Orders. If we receive pre-notification of a transaction, we will make a reasonable attempt to notify you of the pending transaction.

Cashier's Checks. We will accept a stop payment order for a Cashier's Check only if it has been lost, stolen or destroyed. We will not issue a replacement check sooner than 90 days after the issue date of the Cashier's Check.

Substitute Checks

To make check processing faster, federal law permits banks to replace original checks with "substitute checks." These checks are similar in size to original checks with a slightly reduced image of the front and back of the original check. The front of a substitute check states: "This is a legal copy of your check. You can use it the same way you would use the original check." You may use a substitute check as proof of payment just like the original check. Some or all of the checks that you receive back from us may be substitute checks. This notice describes the rights you have when you receive substitute checks from us. The rights in this notice do not apply to original checks or to electronic debits to your account. However, you have rights under other laws with respect to those transactions.

Telephone Calls: Calling, Monitoring and Recording

For our mutual protection, and to enable us to provide better service to you, we may monitor and/or record any of our telephone conversations.

Unclaimed Property – Accounts Presumed Inactive or Abandoned

We define inactive as no customer initiated activity, other than interest posting, and no contact between the customer and the Bank for a minimum period of 24 months. If your account is dormant, the Bank may hold all statements on your account, but the Bank's normal maintenance, service and other fees will continue to be assessed except where prohibited and ATM and POS access may be blocked. Each state has laws that govern when accounts are considered "abandoned" and when we are required to send a customer's funds to the state. This definition may not be consistent with the laws of your state; however, in accordance with California State law, if an account remains in an inactive status for three years, the funds are considered abandoned. We will send you a letter if it's possible that your account is at risk of being transferred to the state. Dormant accounts (if interest bearing) will continue to earn interest, and will be subject to such service charges as may be shown on the Schedule of Fees herein. We will attempt to notify owners of inactive accounts with an e-mail notice to review their account and to communicate with us about it. We will surrender the funds in your inactive account to the state of your last known address on file at the Bank if the account remains inactive for the time period designated by that state. Accounts with a foreign address on file will be surrendered to the state of California. Once the account is turned over to the state, you may reclaim the funds by presenting adequate proof of ownership to the appropriate state. We will have no further liability to you for such funds. When the funds in your account are delivered to the state, your account is closed, and no interest accrues. We encourage you to make sure your accounts remain active so you have full use of your accounts, and avoid the potential of having your account funds transferred to the state as "abandoned or Unclaimed property".

Your insurance coverage

It is recommended and many businesses carry special insurance for employee fraud/embezzlement. The Bank reserves the right to require that you file your claim with your insurance company before making any claim against the Bank. In such event, the Bank will consider your claim only after the Bank has reviewed your insurance company's decision, and the Bank's liability to you, if any, will be reduced by the amount your insurance company pays you.

Checking and Savings Accounts

From time to time, we may offer you or you may open a variety of deposit accounts. Each such account (the "Account") is subject to the general terms and conditions and any specific terms and conditions relating to that type of account that may be set forth in this Agreement. This disclosure describes the terms, services and the interest calculation with respect to the Deposit Accounts opened through the Bank's website. All Checking and Savings accounts are variable accounts and these rates are subject to change without notice. This Truth in Savings disclosure refers to the Schedule of Fees – Business Banking herein.

Interest

If your account earns Interest, the following information applies unless otherwise specified in the description for your account type:

Rate Information:

- The interest rate and corresponding APY for savings and money market accounts are variable and are set at our discretion.

- Your interest rate and annual percentage yield may change.
- Fees may reduce earnings.
- At our discretion, we may change the interest rate on your account.
- We may change the interest rate on your account at any time.
- Interest rates and APYs for different balance ranges are listed on the Bank's website.
- We reserve the right to change balance ranges or apply the same interest rate to more than one range.

Balance Computation Method: We use the daily balance method to calculate the interest on your account. This method applies a daily periodic rate to the balance in the account each day.

Compounding and Crediting: Interest is compounded daily and calculated on a 365/366 day basis. Interest is credited on a monthly basis.

Right to require advance notice of withdrawals: For all savings accounts and all interest-bearing checking accounts, we reserve the right to require seven days' prior written notice of withdrawal. Although we usually pay withdrawals or checks without prior notice on these accounts, doing so does not mean that we give up that right.

Accrual of Interest on Noncash Deposits: Interest begins to accrue no later than the business day we receive credit for the deposit of noncash items (for example, checks).

Limitations on Withdrawals

The Bank may choose to impose limits on the number of certain types of withdrawals and transfers you can make each month from your savings or money market account. Please note, that these limits do not apply to withdrawals or transfers made at a branch, by mail or at an ATM. You can make no more than a combined total of six (6) per month or monthly statement cycle (subject to Available Balance) from among the following:

- Preauthorized transfers (including transfers for overdraft protection)
- Telephone transfers or other electronic transmissions
- Online Banking and Mobile Banking transfers or bill payment transfers
- Transfers by check, draft, debit card, if allowed on your savings account
- We count checks for the purposes of transaction limitations as of the date the check posts to your account (not as of the date you write them)

In addition, each time a transfer is paid against your account in excess of those allowed by the Bank, you will be assessed an "Excess Transaction or Withdrawal Fee". See Schedule of Fees herein.

If you exceed the transfer limits on more than an occasional basis, we may convert your account to one not subject to transfer limitations or close your account. If we close or convert your account, you will receive a separate communication from us informing you of our actions.

We may refuse to allow any withdrawals without the Bank creating liability to you, if we have a concern that one or more transactions on your account may have been unauthorized or fraudulent, if there is a dispute concerning the Deposit Account that makes us uncertain regarding the instructions that have been given, the Deposit Account is garnished or attached, the Deposit Account has been pledged to the Bank as collateral for a debt, the availability of the funds on deposit cannot be verified, any required documentation has not been presented, or you have failed to repay an obligation to us on time.

REFER TO THE ACCOUNT DESCRIPTION FOR YOUR ACCOUNT TYPE BELOW FOR ADDITIONAL IMPORTANT INFORMATION REGARDING YOUR ACCOUNT.

Business Certificate of Deposit (CD)

When you open a Business CD, you agree to keep your funds in the account until the maturity date. You must deposit at least \$500 to open a Business CD. We provide a confirmation notice at account funding. Certificates of deposit are opened for a fixed amount and held for a specific term. Withdrawal prior to the maturity of the term selected will result in an early Withdrawal Penalty which will substantially reduce the interest earned and could result in the loss of some of the principal. Interest rates on CD Accounts will vary based on the term requested. The interest rate and annual percentage yield (APY) on the CD Account is determined on the day we receive your application. This rate is reserved for a period of 5 business days to allow time for your deposit to arrive. Our current rates and annual percentage yields (APY) for time deposits as of today can be found at our Website, [here](#).

Interest

We use the daily balance method to calculate the interest on your account. Interest begins to accrue on the business day you deposit non-cash items (for example, checks). Interest is compounded daily and credited monthly. We may change the interest rate from time to time, at our discretion. The annual percentage yield (APY) assumes that interest remains on deposit until maturity. A withdrawal of interest will reduce earnings. You must maintain the entire balance in the account until maturity to obtain the disclosed annual percentage yield.

Terms

Terms for Business Certificates of Deposit are offered in monthly increments up to five years.

Maturity Options

Business CD's automatically renew for the same term and at the current interest rate then paid for the term in which the Account was renewed. The current interest rates are always available on our Website. You may also email or call us on the maturity date and we can tell you what the interest rate will be for the next renewal term.

Grace Period

If the Business CD automatically renews, you have 10 calendar days from the maturity date that you can make changes to your CD's term, rate, or make additional deposits or withdraw funds without penalty before it automatically renews for the same term. This time period is referred to as the "Grace Period". Interest earned during one term that is not withdrawn during or within the ten-day grace period immediately after that term is added to principal for the renewal term. If you close the CD during the grace period, you will forfeit any interest accrued since the maturity date.

Early Withdrawal Penalty

On a Business CD account, we will impose a penalty if you withdraw any or all of the principal before the maturity date. You have contracted to keep your funds on deposit for the agreed term. You may not withdraw all or part of a CD except as provided in this Agreement. At our discretion, we may allow you to withdraw all or part of your funds at times other than the grace period.

The penalty imposed will be determined by the following schedule based on the number of days in the stated term. Please note that the term of the CD is the specified period of time you agreed to leave your funds on deposit – not the time remaining until maturity of your CD. We calculate the early withdrawal penalty on the principal amount withdrawn. We withdraw interest before principal. If your account has not earned enough interest to cover an early withdrawal penalty, we deduct any interest first and take the remainder of the penalty from your principal.

CD term of 6 thru 11 months, 90 days' loss of interest, accrued or not;
CD term of 12 thru 23 months, 180 days' loss of interest, accrued or not;
CD term of 24 thru 35 months, 12 months' loss of interest, accrued or not;
CD term of 36 thru 47 months, 18 months' loss of interest, accrued or not;
CD term of 48 months or greater, 24 months' loss of interest, accrued or not.

If we are required to pay an amount from your CD (i.e. levy or garnishment), we may charge you an early withdrawal penalty, calculated on the amount withdrawn from the CD.

The Disclosures may include, without limitation, disclosures and notices under the Federal Equal Credit Opportunity Act and Federal Reserve Regulation B, the Federal Truth-in-Lending Act and Federal Reserve Regulation Z, the Federal Fair Credit Reporting Act, the Federal Electronic Fund Transfer Act and Federal Reserve Regulation E, the Federal USA PATRIOT Act of 2001 and Title V of the Federal Gramm-Leach-Bliley Act, together with all rules and regulations that implement the same, as well as all other applicable federal, state and local laws, rules, regulations and ordinances. The Disclosures also include any other information, agreements, disclosures and notices that we wish to provide you in connection with the Deposit Account or Loan in an electronic form, even if the information, agreements, disclosures and notices are not required by these laws, rules, regulations or ordinances.

For Online Banking Services the Disclosures may include your periodic Account Statement (As part of the monthly account statement, you will receive information about your account), other periodic or special notices (such as hold notices on availability of funds, or error resolution notices if you assert your rights under the federal consumer protection laws and regulations). These include special notices that federal laws and regulations from time to time might require us to provide to you and Privacy notices and disclosures. (These notices provide you with information about our privacy practices and policies).

Your Right To Receive Paper Copies of the Disclosures. You have a right to receive certain Communications on paper and you are not required to consent to receiving those Communications electronically instead. You are not required to consent to the electronic signature of documents. If you prefer not to provide your Consent, all of the Disclosures will be provided to you in a paper form. If you decide to provide your Consent, you should also print all disclosures and legal documents.

Your Right To Withdraw Your Consent. You have the right to withdraw your Consent at any time. You will not be charged any fees as a result of the withdrawal of your Consent. If you withdraw your Consent, any Disclosures provided to you after the effective date of the withdrawal will be provided in paper form. You may also receive paper copies of any Disclosures that were previously provided to you electronically as described below.

Scope of Your Consent. Your Consent applies only to your electronic receipt of Disclosures and legal documents in connection with the origination, closing and servicing of the Loan or deposit account. Your Consent does not apply to other transactions that you may wish to enter into with us.

To Withdraw your Consent all you need to do is contact us using one of the Contacts described above.

What records will you provide to me electronically? If you consent, you will receive electronic records that relate to our online banking services. These will include the following types of documents:

- Your monthly account statement, if applicable. (As part of the monthly account statement, you will receive information about your account).
- Other periodic or special notices (error resolution notices if you assert your rights under the federal consumer protection laws and regulations). These include special notices that federal laws and regulations from time to time might require us to provide to you.
- Privacy notices and disclosures. (These notices provide you with information about our privacy practices and policies).

[Do I have an option to regularly receive these records in non-electronic form?](#) After you provide your Consent, you may receive, without charge, a paper copy of any Disclosures that have been provided to you electronically by contacting us using one of the Contacts described above. The Bank's Online Banking Service has been designed and built to provide records to you in electronic form. To put it another way, the system is an electronic banking system and it does not have a paper-based alternative.

[Can I get a copy of the records in non-electronic form if a special need arises?](#) At your request, we can prepare a paper-based version of any of the electronic records you receive, for up to five years after the date it was created. If you want us to prepare a paper-based copy, you can request it by contacting us. Please refer to the Schedule of Deposit Account Fees and Terms for any costs associated with this service.

[If I consent to electronic records now, and change my mind, what can I do and what are the consequences?](#) You can change your mind, and withdraw your consent, at any time, and provide notification to us at the contact information above requesting paper statements and documents be provided to you. However, remember that the Online Banking Service does not support paper-based communications. So the consequence to you, if you withdraw your consent to electronic records, is that your access to and your ability to use the Online Banking Service will end.

[Change of your designated E-Mail Address](#) If you change your designated e-mail address, you must notify the Bank to ensure continued delivery of electronic records.

[Are there any hardware or software requirements for me to access or retain the electronic records?](#) You will need a computer with sufficient memory to store electronic records, and with a working connection to the Internet. You will need an internet connection; a Current Version of Internet Explorer, Chrome, Safari, or Firefox; [an active e-mail account and related software for accessing the email account](#); a Current Version of a program that accurately reads and displays PDF files; and a device with an operating system capable of supporting previous items. Your browser will need to have a minimum of 128-bit encryption capabilities. You are responsible for configuring your system to accommodate these requirements. Finally, you will need a printer if you want to print copies of electronic records.

If we change the minimum hardware or software requirements needed to access or retain electronic records, and the change creates a material risk that you will not be able to access or retain a subsequent record, then before the change takes effect we will let you know about the change and let you know what the new requirements are.

We will notify you by e-mail, and at that time you will be allowed to choose whether you still want to give us your consent to receive communications or information by electronic records. If not, you will be allowed to withdraw your consent at that time, without any fee or charge by us.

However, if you withdraw your consent, you may not be able to access the Online Banking Services without upgraded hardware or software. Then, your ability to use the Online Banking Service could also end (as described above, under "If I consent to electronic records now, and change my mind, what can I do and what are the consequences?").

[How will the electronic records be provided to me?](#) All Disclosures are available on the Bank's Website and can be accessed by clicking on the "Disclosures" tab. Other periodic or special notices will be sent to you by e-mail, unless they contain confidential account information at which time they will be sent by secure email through the online banking service on our Website. Your monthly account statements, if applicable, contain confidential information, so they will be stored for you to access (print or review) on the online banking service on our Website, at www.axosbank.com and will be available to you, for at least 2 years following the date it is first posted.

To access your monthly statements and any notices sent by secure email, you will need to sign-in to the online banking service of the Bank's Website.

[Are there other special requirements for electronic records?](#) You must provide us with your current e-mail address and keep it current with us at all times. Otherwise, you may not receive electronic records in a timely manner. If you download or print any confidential materials, such as your monthly statements, be sure that, you store them in a secure environment.

Funds Availability

Your Ability to Withdraw Funds

This policy applies to deposits into accounts that are opened at the Bank. All deposits are processed at Bank's processing facility located in San Diego, CA, and are received either electronically, through the mail, or in person. Please do not mail cash deposits. In the event Bank receives cash deposits, you agree that the Bank's determination of the amount of the deposit will be conclusive. The

Bank is responsible for mailed deposits only after the Bank has received them. The Bank is not liable for any deposits, including cash, lost in the mail. Remember: when you use the U.S. mail to make a deposit, you will need to allow extra time for the deposit to reach us.

The Bank's policy is to make funds from certain electronic deposits available to you on the business day the Bank receives the deposit. However, the Bank may delay the availability of funds from your check deposits to afford us time to verify the deposit and ensure the funds are collected. During the delay, you may not withdraw the funds and the Bank will not use the funds to pay checks you have written or other debits against the account that you have initiated, such as electronic bill payments.

Determining the Availability of a Deposit

The length of the delay is counted in business days from the day of your deposit. Every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before our established cutoff time on a business day that we are open, we will consider that day to be the day your deposit is received by the Bank. However, if you make a deposit after our cutoff time or on a day we are not open, we will consider the next business day we are open to be the day of your deposit. The availability of your deposit varies depending on the type of deposit and is explained below.

Our deposit cutoff times are as follows:

- Branch deposits:
 - California: 5pm Pacific Time for same-day processing
 - Nevada: 5pm Pacific Time for same-day processing (does not accept cash transactions)
- Axos ATM deposits:
 - Axos Bank ATMs: 5pm Pacific Time for same-day processing
 - Non-Axos Bank ATMs: 2:30pm Central Time for same-day processing
- Check deposits made via the Mobile Banking app: 3pm Pacific Time
- Electronic credits (such as Direct Deposit or account transfers): Credit received at least 2 days before the settlement date, will be posted by 8:30am Central on the date specified as the settlement date

This funds availability policy does not apply to checks drawn on banks located outside the United States of America.

Same Day Availability

Funds from electronic direct deposits to your account will be available on the same day the Bank receives the deposit. Interbank Transfers initiated from your Online Banking account will be made available upon actual and final credit of the funds. This is typically within 3 to 5 Business Days.

Next- Day Availability

Funds from the following deposits on established accounts are available on the first Business Day after the day of your deposit:

- U.S. Treasury Checks that are payable to you
- Wire Transfers
- Checks drawn on the Bank (on-us items)

- Cash
- State and local government checks that are payable to you
- Cashiers, certified, and teller's checks that are payable to you
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you.

If you make your deposit at a nonproprietary ATM (an ATM not owned or operated by Axos Bank), funds from these deposits will be available no later than the fifth business day after the banking day of deposit.

If you make a deposit using our Remote Deposit Services, funds from these deposits will be available on the 5th business day after the day we accept your deposit.

Note: At its discretion, the Bank may decline to accept any item for deposit.

Check Deposits

Checks are available as follows:

Checks: The first \$225 from a deposit of checks will be available on the first business day after the day of your deposit. The remaining funds from a deposit of checks will be available on the second business day after the day of your deposit. For example, if you deposit a check of \$700 on Monday, \$225 of the deposit is available on Tuesday. The remaining \$475 is available on Wednesday.

If we take longer to make all of the funds from these types of deposits available as disclosed above, we will notify you by e-mail within one business day after we receive your deposit. We will also tell you when the funds will be available

Longer Delays May Apply

In some cases, we will not make all funds that you deposit by check available to you by the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$225 of your deposits, however, may be available no later than the first business day after your deposit. If we are not going to make all funds from your deposit available by the first business day after the day of your deposit, we generally notify you by mail or e-mail if the Bank delays your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit. If you need the funds from a deposit right away, you should ask when the funds will be available.

We may delay the availability of funds you deposit by check for a longer period under the following circumstances:

- The Bank believes a check you deposited will not be paid;
- You deposited checks totaling more than \$5,525 on any one day;
- You redeposit a check that has been returned unpaid;
- You have overdrawn your account repeatedly in the last six months; or

If you are a new customer, the following special rules will apply during the first thirty (30) days your account is open:

- Funds from electronic direct deposits to your account will be available on the day we receive the deposit.
- Funds from deposits of cash and wire transfers will be available the first business day after the day of your deposit. The first \$5,525 of a day's total deposits of traveler's, cashier's, certified, teller's and federal, state and local government checks will be available the first business day after the day of your deposit, if the deposit meets certain conditions. For example, the check is deposited into an account held by the payee and in person to an employee of the bank. The excess over \$5,525 will be available on the seventh (7th) business day after the day of your deposit. If your deposit of these checks (other than a US Treasury check) is not made in person to one of our employees, the first \$5,525 will not be made available until the second business day after the deposit.
- Funds from all other check deposits will be available on the seventh (7th) business day after the day of your deposit.

Holds on Other Funds (Check Cashing)

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you deposited it.

Deposits at Non-Axos Bank ATMs

Non-Axos Bank ATMs are part of ATM networks owned or operated by other financial institutions. You can use your card to deposit funds to accounts linked to your card as primary checking and primary savings. Deposits made at a non-Axos ATM by cash or check will be made available for withdrawal not later than the fifth business day following the banking day on which the funds are deposited. All ATMs that we own or operate are identified as our machines.

The following provisions apply to funds transfers you send or receive through the Bank, but do not apply to electronic funds transfers governed by Regulation E of the U.S. Federal Reserve Board, known as Wire Transfers.
